

If architecture was in the form of a rectangle, this would be the transportable version! Three bedrooms, a large open living, a bathroom complete with bath and the option of a wrap around deck for all day sun make this a transportable worth checking out! The layout of this home is particularly good for narrow, north-facing sites. If you like modern, this transportable will fit the bill!

Floor Area: 114m<sup>2</sup>

0 cars, 3 beds, 1 bath, 1 sofa, 16.5m x 7.2m
