

This black 30m² gable dwelling is finished in a vertical axon panel giving it a clean, modern style. Inside, the kitchen, dining and living are all positioned in the front in an open plan layout. The bedroom and bathroom are set at the back. The high pitch on this roof gives you the option to add higher ceilings through the living and extra ceiling storage above the bedroom. This is a small dwelling with the iconic home shape that will never date!

Floor Area: 30m²
